SUPERIOR MACHINE COMPANY, WOODINGS FEATURED IN STEEL TIMES INTERNATIONAL.

The March 2024 issue of Steel Times international featured a photo of a new tilt platform designed and manufactured by Superior Machine.

The magazine also included a Q&A session with Rob Woodings, president of Woodings Industrial.

Additionally, a full page ad ran in the issue, announcing that Woodings Industrial and Superior Machine have joined forces to create the most capable hot metal equipment supplier group in North America.
